Making their maiden voyages

Northeast Metro Intermediate School District 916 students and Urban Boatbuilders instructors launched their hand-built Mississippi Skiff and Greenland Kayaks into White Bear Lake Friday, May 26 at the Matoska Park boat launch.

Top photo: David Stark and Tyler Guenther paddle across the smooth surface of White Bear Lake in a Mississippi Skiff.

At right: Emma Gilbert prepares to paddle out onto the lake in a kayak.

PAUL DOLS | PRESS PUBLICATIONS

Above: 916 student James Palmer and staff member Lisa Odegard take their turn for a paddle in the student-built skiff. Find more photos online at presspubs.com.
